Dear Parents/Carers,

WORLD WAR II WORKSHOP

We have arranged for Portals to the Past to come into school on Friday 6th November to deliver a workshop on World War II to support the children's learning in our curriculum topic of the Second World War.

The WWII workshop is a balance of educational based activities, facts, useful knowledge and is a chance for the children to experience the community spirit and national cohesion of the time and what total war meant to everyone, especially children. They will take part in activities including a quiz, code breaking, looking at WWII artefacts and responding to an air raid siren, giving them a real flavour of what life was like during the war.

In order to enter fully into the spirit of the day, the children are invited to come to school in WWII costume if they would like to.

Staff have been mindful of current COVID safety guidance when planning the workshop: the workshop space, all equipment and hands will be sanitised, and external visitors will be temperature checked on arrival. Each class will have a separate session to enable as much distance as possible between participants.

The cost of this workshop is £6.00 per child and payment should be made via your child's School Gateway account by **Monday 2nd November**. If you have any difficulties in paying, please contact Mr Veale in confidence.

We look forward to an exciting and enjoyable day!

Yours faithfully,

The Year 6 Team

Head Teacher: Mr R Veale
