

Dear Parents/Carers,

Code Club - Years 5 and 6

We will be running Code Club after half term for children who love computing. It is all about connecting people who love programming with schools and providing them with the materials they need to help children learn to code.

The club will be held on Fridays after school from 3.15 pm to 4.15pm on the following dates:

Friday 12th November

Friday 19th November

Friday 26th November

Friday 3rd December

Code Club bookings will be open on school gateway after 12.00 noon on Friday 22nd October. Code Club has limited spaces so please do ensure you book as soon as possible to avoid disappointment.

To book your child on to code club please log on to school gateway and follow these instructions:

- Click on **CLUBS**
- Select Code Club
- Make a booking/select ALL dates
- Ensure you select BOOK after selecting the dates

Please ensure you select all 4 dates and then continue with booking. The booking will be open until Monday 8th November after which you will be emailed confirming your child's place. The payment request of £20 will then be put on school gateway which must be paid before attending. If payment is not made your child's place will be offered to someone on the waiting list.

Children attending Code Club should meet Mrs Docherty in the ICT suite at the end of the school day.

Please collect your child from the exit by the office at the front of the school.

Children not collected promptly at 4.15pm will be sent to After School Care at a charge of £5.50.

Yours faithfully,

Mrs S Dobson
