8th June 2022

Dear Reception Parents/Carers,

Reception Animal Workshop

On **Thursday 16th June 2022** we have arranged for ReptoPet to come into school to host an animal workshop for Reception children.

This is an opportunity for all children in Reception to have an animal experience learning about the difference between wild and domestic animals. They will be able to handle a guinea pig and see its babies, a monitor lizard and a tortoise.

We understand that some children may be wary of the animals, particularly the lizard! No one will be made to touch an animal if they do not feel comfortable so do let us know if your child is very anxious about anything relating to the workshop.

The cost of the workshop will be **£4.20** per child. Payment should be made via your School Gateway account no later than Monday 13th June.

We need your contributions in order to make additional opportunities such as this viable. If you have any financial difficulties, please contact Mr Veale in confidence.

Yours faithfully,

Ms Docherty, Mrs Standing, Ms Tomei and Mrs Mitchell
Reception Teachers

Head Teacher: Mr R Veale
